

Join us for the Albany **soilSHOP** (Soil Screening, Health, Outreach and Partnerships). Bring a **dry, rock-free, soil sample in a plastic ziplock bag (about 2 cups soil) by 1 p.m.** to the Radix Center and get your soil screened for lead while you enjoy other activities!

Enter a raffle to win a "Pizza Garden!"

A pizza garden is a patio-size self-watering garden box that comes with a bag of soil, and tomato, pepper, basil and oregano plants (pizza dough not included)!

OUR OTHER EARTH DAY ACTIVITIES:

Tour of the Radix Center and greenhouse

Visit with bunnies, ducks and chickens

Demonstrations on composting and raised bed gardening

FREE pH testing of your garden soil

FREE Zumba class

FREE blood pressure check

Healthy snack demonstrations

Live band Oobleck – 11am to 12 noon

Talk with our environmental, health, gardening, soil, and other experts about lead concerns and reducing potential exposures

And more!
